**Hole-In-One Attempts Help At Risk Students**

*PLUS, Golfers have three opportunities to win a new car or \$10,000!*

Kevin Lardie, chairman of the Keep Kids in School Golf Tournament with a 2017 GMC Sierra from Gay Family Auto.

Historically, an average handicap player has 12,000 to one odds of sinking a hole-in-one. A PGA tour player's odds are 3,000 to one. And, Tiger Woods shot his first hole-in-one at age 6!

Cars that can be won for holes-in-one are from the Luxury Car Group of Advantage BMW MINI of Clear Lake/Lexus of Clear Lake/Mercedes-Benz of Clear Lake and from Gay Family Auto. A third hole-in-one feat will win \$10,000 sponsored by Shepard and Yvonne Perrin.

**Marathon Repeats as Major Sponsor**

Marathon's Ruth Rendon presents its sponsorship to Communities In Schools-Bay Area's Peter Wuenschel (center), executive director, and Hillary Gramm, resource development director.

Marathon has contributed more than \$42,000 to CIS-Bay Area as a golf tournament sponsor since 2014 and the Adopt-A-School campuses of Mc Adams and Barber in Dickinson ISD since 2011.
