## What is Communities In Schools?

**Communities In Schools Bay Area (CIS-Bay Area) is a nationally recognized, non-profit dropout prevention organization dedicated to helping at-risk youth stay in school and prepare for life.**

**CIS-Bay Area is located in 13 schools within the Clear Creek and Dickinson Independent School Districts. We help more than 1,200 students stay in school each year with a 98% success rate.**

**Our goal is to provide every child with five basic opportunities:**

- a one-on-one relationship with a caring adult
- a safe place to learn and grow
- a healthy start and healthy future
- a marketable skill to use upon graduation
- a chance to give back to peers and the community

**For many students, CIS is a life changing experience.**
