#### Dear Communities In Schools – Bay Area Supporter,

Today, there are 23,061 children in Clear Creek and Dickinson Independent School Districts who meet one or more of the thirteen criteria by TEA as “At Risk” and who could potentially drop-out of school. Reasons outside of a child’s control, such as hunger, homelessness, and language barriers, decrease one’s chances of success in school and in life. The number of children dealing with “adult problems” increases year-after-year.

Communities In Schools – Bay Area is seeking donations of silent & live auction items as well as goody bag items for our 11<sup>th</sup> annual Keep Kids In School Golf Tournament and our Raise Your Glass to CIS event. This year, our event will be held on Monday, April 6, 2020 at Bay Oaks Country Club. This is a sold out event every year. Your name and/or company will be seen amongst prominent businesses and individuals. Over 350 people participate in this event.

**Since 2009, more than \$1.5 million dollars has been raised to help the most-vulnerable local children** within the Clear Creek ISD and Dickinson ISD communities. You can become a part of history. Your donation helps us reach the goal of raising over \$250,000. If you have any questions or are interested in learning more, contact Kaela Ibrahim at [kaelai@cisba.org](mailto:kaelai@cisba.org) or 281-486-6698.

Sincerely,

Peter Wuenschel  
Executive Director
